Casa Angel has been designed and decorated to accommodate the needs of all its guests. The second and third floor living and dining areas are all wheelchair accessible by elevator. Guests enjoy the convenience of an in-house laundry facility as well as two state-of-the-art entertainment centers.

In the Master Suite you will find a large selection of fiction and non-fiction literature available for your reading pleasure. Monogrammed bathrobes are provided to each guest to use during their stay. The room to room telephone intercom system allows you to reach any member of your group as well as the house staff without leaving your suite.

No need to cut your stay short due to business. You can conduct your business from the relaxing confines of Casa Angel with two phone lines, fax machine and Internet service for your lap-top.

In-house massage/spa services are available upon request to all guests at an additional fee.
